SHOW FORMAT:

In this series, we are trying something new! Instead of running for some tack, we are running for some CASH!! We are going to hold out \$1.00 from each entry and put it into our Pot of Gold. KS02 is going to match this \$1.00 for \$1.00. So \$2.00 from every run and all nomination fees from a class will go into that class’s “Pot of Gold.” If we have 15 paid nomination fees in the Open Class, we will guarantee the Open Pot of Gold payment to be: 1st - \$150.00, 2nd - \$100.00, and 3rd - \$50.00. If we have 10 paid nomination fees in the Youth Class, we will guarantee the Youth Pot of Gold to be 1st - \$75.00, 2nd - \$50, and 3rd - \$25.00.

These are 5D barrel races with all 1/2 second splits. We are giving points to the top 10 contestants in each division. The horse/rider combination(s) with the most points from any and all divisions will win the Pot of Gold. Even if today you win the 1D on Blackie and tomorrow you place in the 5D on Blackie, you still get to keep adding to your points. In case of a tie for the Pot of Gold, we will simply divide the money evenly between the winners.
